The Client commits to make his own research and from external sources as well to make any investment. The Client accepts that ANAX Capital Markets LTD will not accept liability for any loss or damage, including without limitation to, any loss of profit, which may arise directly or indirectly from use of or reliance on such information. The contents of any report provided should not be construed as an express or implied promise, as a guarantee or implication that clients will profit from the strategies herein, or as a guarantee that losses in connection therewith can, or will be limited. Forex and CFDs are leveraged products that incur a high level of risk and a small adverse market movement may expose the client to lose the entire invested capital. The vast majority of retail client accounts lose money when trading in CFDs. You should consider whether you understand how CFDs work and whether you can afford to take the high risk of losing your money. The possibility exists that you could sustain a loss in excess of your deposited funds even if a stop loss is used and therefore, you should not speculate with capital that you cannot afford to lose and be aware of trading risks. ANAX Capital Markets LTD provides general information that does not take into account your objectives, financial situation or needs. The content of this website must not be interpreted as personal advice. Please ensure that you understand the risks involved and seek independent advice if necessary.

Risk Warning: Trading financial products on margin involves a high level of risk and is not suitable for all investors. Losses can exceed your initial investment. Before deciding to trade these products, carefully consider your investment objectives, risk tolerance, and level of experience. Ensure that you fully understand the risks involved and take appropriate steps to manage them before you begin trading. Seeking independent advice is strongly recommended, if necessary. We provide an execution-only service and do not offer investment advice or management services.
